

San Jacinto Valley Cemetery District

HOLIDAY DECORATIONS 2018

We are pleased to inform you of our flower decorating requirements for the special holidays listed below. During these periods only light clean-ups will occur where the only items removed will be fresh flowers that have wilted.

However, Decorating District trees or other property is not permitted. Please refrain from lining gravesites with stones of any type as these can be dangerous to people and damaging to markers and equipment when mowing occurs. To prevent mosquitos breeding sources, please replace water in vases at least once a week.
